## The President's Column

### Happy 234<sup>th</sup> Birthday USA!

By Kevin Kubacki

Happy Independence Day to one and all. No, I'm not going to get all political on you in this month's column. I know we're all of one mind when it comes to what legislation and which candidates are important. I know we can count on each other to make phone calls, write letters and send emails urging to keep us all free to speak, independent and armed. In short, I know your priorities are the same as those who founded this blessed republic. So please do take the time to celebrate all of it this 4<sup>th</sup> of July. Or as John Adams wrote to his wife Abigail of Independence day, "I am apt to believe that it will be celebrated by succeeding generations as the great anniversary festival. It ought to be commemorated as the day of deliverance, by solemn acts of devotion to God Almighty. It ought to be solemnized with pomp and parade, with shows, games, sports, guns, bells, bonfires, and illuminations, from one end of this continent to the other, from this time forward forever more." All I would add to that is, huzzah! Now let's talk about what's going on around the club. All division quarterly reports are due at the July 12<sup>th</sup> directors meeting. Out on the shotgun fields, we're waiting for the contractor to have an opening to see our high and low houses refurbished. Similarly, the rifle range improvements are waiting on new utility poles to be delivered so we can begin by replacing overhead baffles and the front and rear roof panels. Outdoor Pistol is nearly finished and running fairly well. New wooden target frames are in the target box as are measured drawings should you care to make your own. Security cameras are nearly (I know, they've been nearly operational for months) operational and should be recording all the goings on about the club soon. There's a committee researching how to update our range rules and I hope to announce in next month's column that

the new rules have been published. Next up? Now that we put a new lid on the indoor range, maybe we do something to fix up the interior too. The Archery division could use some permanent or at least easily deployable targets, so research and planning is beginning there. Finally, we've begun planning for our club outing on Sunday, September 12<sup>th</sup>. Speaking of the outing, we can use as much help as we can get. Ideas and volunteers are both needed. Let's hear from you on the club message boards and email account. Chance books will be going out soon. It will be a big help if you can all sell and return yours early. We'll also be having a membership drive this year, so if you know anyone interested in joining the club, the outing would be a great time to have them sign up. Most importantly, make it a point to come out and celebrate the club. Bring the family and friends and we'll provide the fun and games. Who knows, maybe this year everyone can have a slice of HF&G's 80<sup>th</sup> Birthday cake?

## 2 On Low 8 by Rich Soban

The "Bob Johnson 80 Year Old Open" was held at the club Sunday June 27<sup>th</sup> with 16 shooters attending. Last September Bob achieved a milestone in skeet shooting breaking his 250,000 target and has been going strong ever since. Turning eighty has not slowed the Old Boy down, well maybe just a little he use to hit a 3 wood 240, now he's around 200 but straight as an arrow. Bob's out shooting pool, darts and playing cards during the week and I must say he's good at them all but once in awhile he thinks two pair beats three of a kind. You can usually find Bob at the club shooting a round or giving advice to new shooters having problems with a particular shot. I'm not sure but I think Bob was a photographer in his earlier days because he sure shows up at the club with a lot of old photos. The Birthday Boy and 12 other shooters were on hand in the morning to shoot the 12 Gauge. Bob and his son Tommy shot on the same

squad as family and friends cheered them on, when the smoke cleared Tom Johnson with his 98 won the gun. Class winners are as follows AA1 Buttons Matthews 97, B1 Gordon Kurtz 96, C1 Bob Bauer 94 and D1 John Mallon. A shoot off for D1 was held between Jerry McGuinniss and John Mallon and John won D class, Bob Johnson was tied for D3 with Gregg Grippman but the heat took its toll on Bob so they flipped a coin and Gregg won. In the afternoon the 410 was held and as usual the wind picked up along with the heat and humidity with 8 shooters giving it a go. Tom Johnson missed 1 for a 99 to win the gun, excellent shooting with a 410. Class winners AA1 Bob Stewart 93, A1 Jaime Loyola 94, B1 Warren Frankenberger 89 and D1 Bruce Long 80. I'd like to thank all who donated their time pulling targets it wasn't an easy task with the heat and humidity, I know since I couldn't shoot either event and was out there referring. Our next shoot will be Sunday July 25th "The Bruce Long Open" 12 & 20 gauge, a sign up sheet will be in the clubhouse or call me @ 215-421-5577. Everyone who came out so far to shoot the 5 stand on Thursday night had a blast; upcoming dates for 5 stand are Thursday July 8<sup>th</sup> and the 22<sup>nd</sup>. Remember you need 30 shells for a round of 5 stand, cost per round is \$6 club members, non members \$7 and juniors \$4.

I don't know who took this photograph, but it was sent to me by Rich Soban. As you can see Bob Johnson and his wife with some of their friends celebrating his 80<sup>th</sup> Birthday, as you know we all get older with each passing birthday, but it looks like Bob is getting younger. Happy 80<sup>th</sup> Birthday Bob and many more to come.

## Archery On Monday Nights

Scoring for this match is a bit more complex. Those with a "D" next to their name were not considered for match awards because they did not fire a vintage (WWII or earlier) handgun. Everybody's score counts towards their league averages, however. Match Awards went to those indicated, with a special mention going to Chas O'Conner for bringing the most unique vintage military pistol - his 8mm Lebel revolver.

Our July match is the first target gun (adjustable iron sights permitted) match of the year. It's still 60 rounds, but we'll fire into the big, black bull's-eye of the Police "L" target. So come out and shoot, but bring a friend to share the fun.
